

I wanted to say thank you for looking after us while we were in Sicily

Dear Gabriele or Anna,

Firstly I wanted to say thank you for looking after us while we were in Sicily. We had a great adventure and although we didn't get to climb all of the volcanoes that we hoped it was a lovely trip. We only wished we had had more time there. In particular we were very pleased with the accomodation on Lipari at Enzo Il Negro. The whole family made us very welcome and were so helpful during our stay. Please pass on our thanks to them. I spoke to Anna about the jacket vest that I left at the Villa on Stromboli. I left my address with the guy on reception and he promised to send this on. I would be grateful if you could check that this is on its way to me. Thank you for all of your help.

Regards,
